

AEROPLANE DRAWINGS & DESIGNS

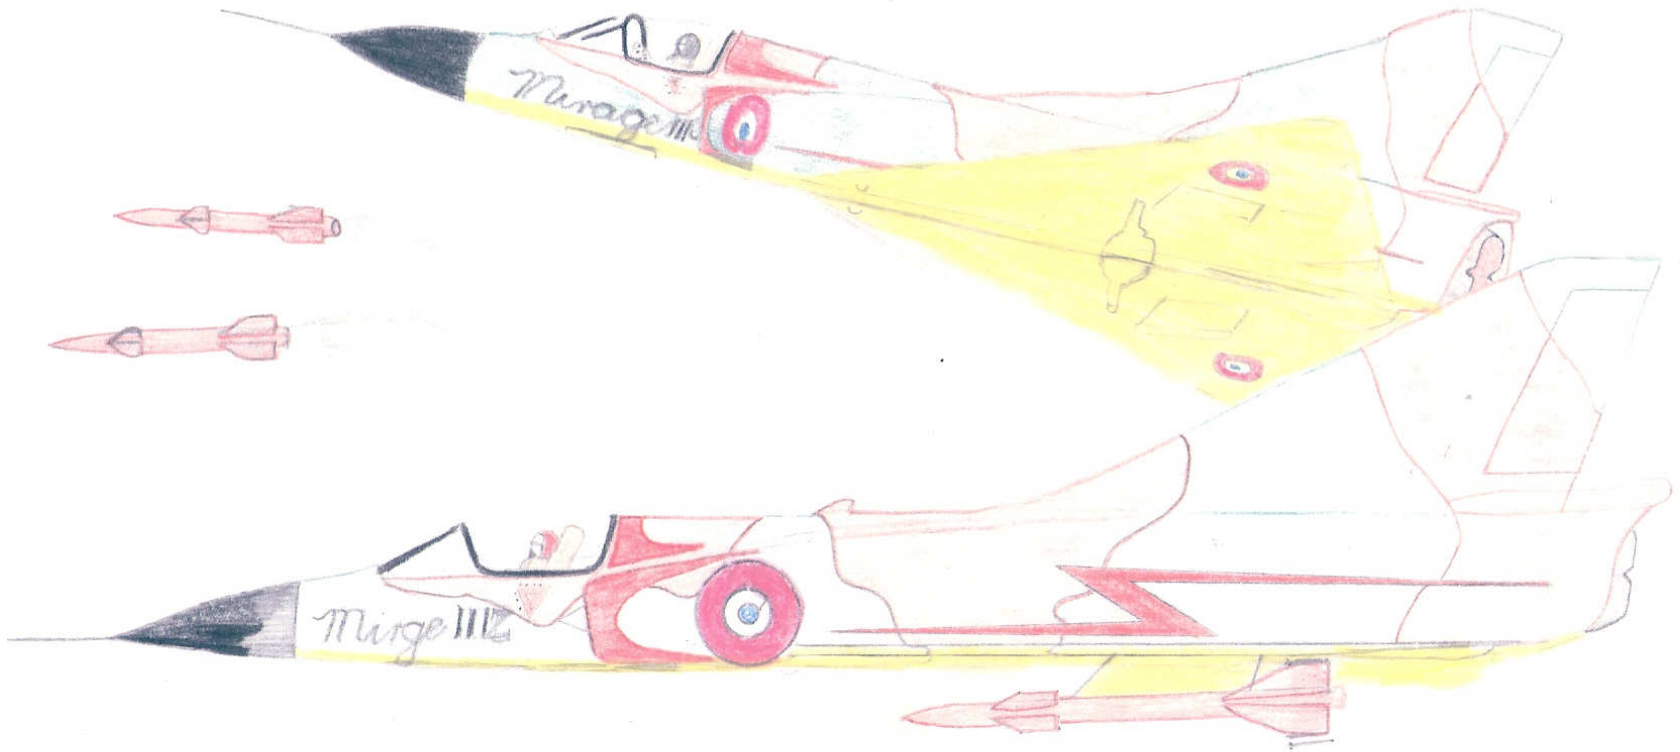

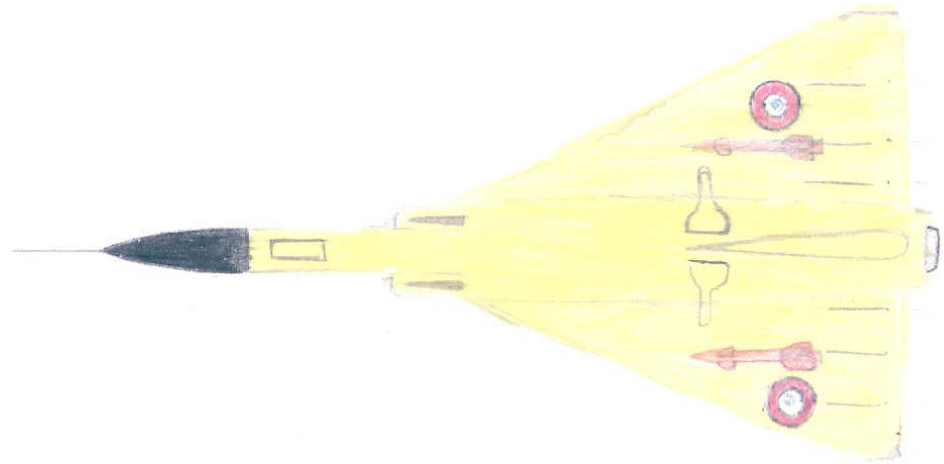

FROM 1981 TO 1991
BY PIETER P FOURIE

INTRODUCTION

I HAVE ALWAYS LOVED FIGHTER PLANES AND WEAPONS. IT CAN BE DESCRIBED AS MY ORIGINAL FIRST LOVE. I STARTED DRAWING THEM AT THE AGE OF 5, IN 1977.

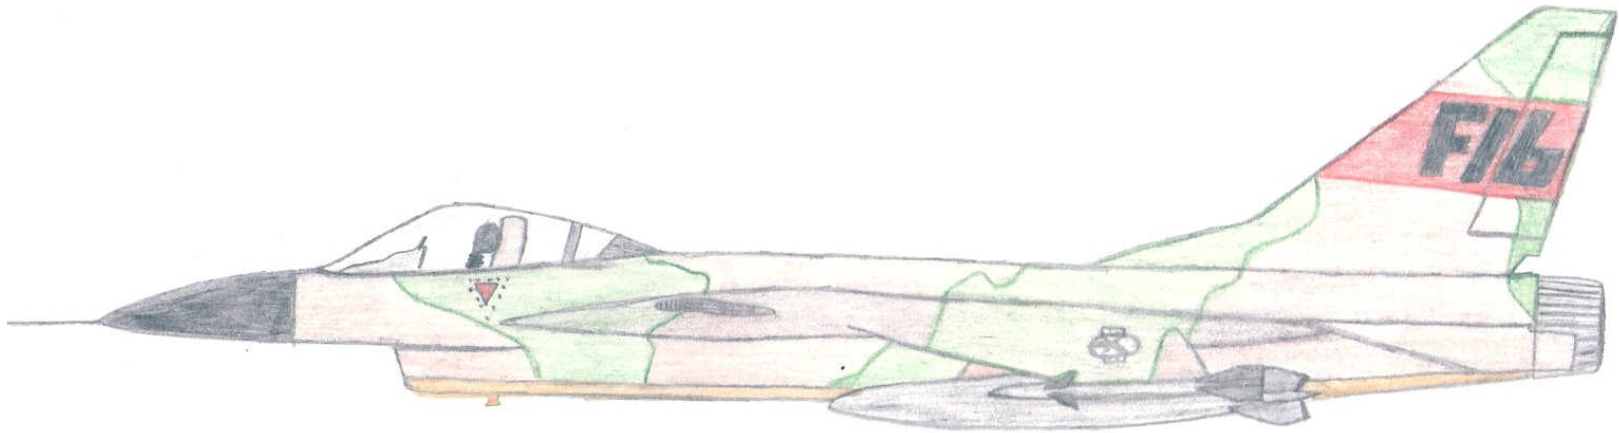

AT THE AGE OF 7, I HAD MORE THAN 100 MODEL AIRCRAFT, AS CAN BE SEEN BY THE EARLY DRAWINGS. LATER ON, IN 1988, I STARTED DESIGNING MY OWN AIRCRAFT.

THROUGH THE INFLUENCE OF MY UNCLE, I STARTED DRAWING AND DESIGNING MOTORCYCLES IN THE EARLY 1980'S. HE WAS THE SUZUKI MOTORCYCLE DISTRIBUTOR IN OUR REGION.
