MOTORCYCLE DESIGN
VOLUME 01
1985 TO 1992

BY PIETER P. FOURIE

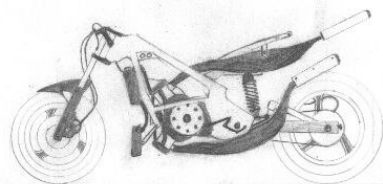

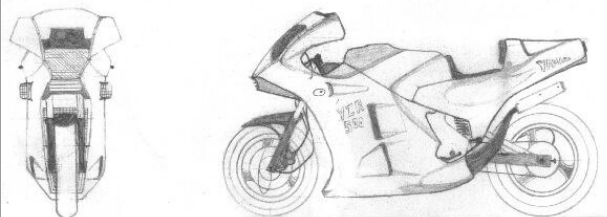

INTRODUCTION

THE MOTORCYCLE DESIGNS SHOWN ON THESE PAGES WERE SCANNED FROM THE ORIGINAL DESIGN DRAWINGS. THEY WERE HAND DRAWN ON A4 SIZE PAPER, USING DRAWING UTENSILES AS A HELP.

THEY REPRESENT THE DESIGNS I TREASURE AS BEING SOME OF THE BEST OF LITERALLY HUNDREDS OF DESIGNS I MADE BETWEEN 1985 AND 1992.

I ALWAYS TOOK PRIDE IN THE FACT THAT MY DESIGNS WERE'NT COPIED FROM ANY DESIGN OF THAT SPECIFIC ERA. EVEN BASIC DIMENSIONAL PROPORTION BETWEEN WHEEL SIZES, WHEELBASE AND SEATING POSITION WERE ALL RECREATED FROM THE DESIGNING MIND AND WORLD AND NOT FROM A SPEC SHEET.
